Date: \_\_\_\_\_

NOTE: Driver's are to back trailers requested to be cleaned on the north side of the dumpster at the rear of the lot. After cleaning is completed, trailers will be returned to their prior location. Archview Tank Wash, LLC reserves the right to approve trailers for cleaning on a case-by-case basis. All drivers must check in at the rear tank wash office and provide Archview Tank Wash a copy of the product SDS if one is not already on file. A copy BOL is required for all washes performed.
